ULTIMATE CHALLENGE WINNERS 290-300

Soloists that receive a score between 290-300 points will receive an "Ultimate Challenge" medallion. The "Ultimate Challenge Award" is the most elite award you can receive as a soloist at American Dance Awards and it comes with an automatic invitation to compete in America's Dancer of the Year National Competition! There is no limit on how many competitors can receive an Ultimate Challenge Award. These Ultimate Challenge Winners do not affect the number of Dancer of the year winners pre-determined by the amount of entries in an age division.
